CLARIFICATION OF PRIORITY CLAIM

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

To the extent there is any efficacy to priority claims made in the accompanying declaration, these are hereby withdrawn.

The correct priority claim with respect to the provisional application is contained in the first sentence of the application as added in the Preliminary Amendment of January 19, 2001. (The priority date identified in the provisional application box of the declaration is erroneous.)

There is no proper claim of benefit under 35 U.S.C. § 120 to any application. The identity of the application 09/503,729 mentioned in the § 120 priority box in the declaration is also clearly erroneous. This application no longer exists, having been converted to the mentioned provisional application.

It is assumed that the declaration is proper since these errors are clearly of a formalistic nature. However, should the PTO desire a substitute declaration, applicants would be happy to comply.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,
